

Building Connected Teams

If you asked your team what they know about the purpose and strategy of your organisation, what would they say? The challenge is if they don't know the answer, this can create dysfunctional teams, resulting in poor behaviours and performance. This workshop introduces the '**Business Connection Model**' and the five key questions all employees need answered in order to connect them to your organisation, especially in times of change, to optimise performance and well-being.

RECOMMENDED FOR

ALL LEADERS

- People Leaders.
- Senior Leaders.
- Business Owners
- Anyone wants to connect their people to the organisation

Blythe, thank you for coming to our recent Senior Leaders forum to share with us your **Business Connection Model!** The Leaders absolutely loved it. It is exactly what we need to align our teams within TSS with our 2020 plan as it is simple, yet effective.

We can't wait for you to work with our team of 120 leaders over the coming months to help them connect their teams to our TSS strategy and build their leadership skills.

IN THIS PROGRAM, YOU WILL:

- Why the brain is a control freak and how it impacts employee behaviour and performance.
- Explore the five key questions all employees need answered to connect them to the organisation.
- Why culture does not always eat strategy for breakfast.
- Five elements of the Business Connection Model.
- Key strategies to becoming a '**brain-friendly**' leader in today's agile environment.
